2. COVERAGES

- A. The **CSD Pool** will pay for **Loss** to a **Covered Auto** or its equipment under:

 - a. The covered **Auto's** Collision with another object; or
 - b. The covered **Auto's** overturn.
2. **Collision Coverage** caused by:
 - a. The covered **Auto's** Collision with another object; or
 - b. The covered **Auto's** overturn

3. Glass Breakage - Hitting a Bird or Animal - Falling Objects or Missiles:

- a. **Loss** caused by hitting a bird or animal; and
- b. **Loss** caused by falling objects or missiles.

However, the **Member District** has the option of having glass breakage caused by a Covered **Auto's** Collision or overturn considered a **Loss** under **Collision Coverage**.

If the **Member District** is able to repair a chip or crack in the **Covered Auto's** windshield, and that **Covered Auto** is covered for **Other than Collision Coverage** with the **CSD Pool**, the **CSD Pool** will waive the **Other than Collision Coverage** deductible and pay up to \$50 for such repair.

4. Licensed for Road Use **Mobile Equipment**

The **CSD Pool** will pay for **Loss** to Covered **Mobile Equipment** which occurs during the coverage period while the Covered **Mobile Equipment** is within the Coverage Territory; subject, however to a Sub-Limit of \$100,000, which shall be applied to contractor's equipment, whether rented, leased, or hired, unless limits are increase and contribution has been paid.

3. COVERAGE EXTENSIONS

A. Newly Acquired Autos

The **CSD Pool** will pay for a **Loss** to a newly acquired **Auto** that has not yet been reported to the **CSD Pool** as a **Covered Auto** for the first thirty (30) days after acquisition as a **Covered Auto** if the **Member District** carries **Other than Collision Coverage** and **Collision Coverage** for all its scheduled vehicles. After the thirty (30) days, the newly acquired **Auto's** must be reported to the **CSD Pool** and added as a **Covered Auto** for coverage to apply.

B. Transportation Expense

The **CSD Pool** will pay up to \$35 per day to a maximum of \$1,000 for transportation expense incurred by the **Member District** because of the total theft or if considered total **Loss** of a **Covered Auto** of the private passenger type. The **CSD Pool** will pay only for those **Covered Autos** for which the **Member District** carries **Other than Collision Coverage**. The **CSD Pool** will pay for transportation expenses incurred during the period beginning 48 hours after the theft or accident and ending, regardless of the coverage document's expiration, when the **Covered Auto** is returned to use or the **CSD Pool** has paid for its **Loss**.

C. Hired Auto

For **Hired Auto's**, the **CSD Pool** will pay expenses for which the **Member District** becomes legally responsible to pay for loss of use of a **Hired Auto**, regardless if the **Member District** has scheduled vehicles. The **CSD Pool** will pay up to \$35 per day to a maximum of \$1,000.

D. Employee Deductible Reimbursement

If an employee's **Auto** is damaged while performing job duties for the **Member District**, the **CSD Pool** will reimburse the employee up to \$2,500 for their personal **Auto** insurance's Other than Collision deductible or Collision deductible. If the employee's **Auto** is not insured for physical damage, then the **CSD Pool** will pay up to \$2,500 for necessary repairs or replacement of the **Auto** on an **Actual Cash Value** basis.

This extension of coverage is subject to the approval of the **Member District**.

E. Freezing Coverage for Emergency Vehicles

The **CSD Pool** will pay for **Loss** caused by or resulting from freezing to permanently attached special equipment common to a fire rescue emergency vehicle; unless the **Loss** is caused by failure to properly maintain such special equipment. Special equipment

includes but is not limited to pumps, gauges, and tanks. The **CSD Pool** will not pay for **Loss** caused by or resulting from freezing to an emergency vehicle's engine. The **CSD Pool** will pay only for those **Losses** which the **Member District** carries **Other than Collision Coverage** and **Collision Coverage** and the value reported is 100% replacement cost.

F. Rental and Towing Reimbursement

1. The **CSD Pool** will reimburse the **Member District** for actual rental expenses which the **Member District** incurs, as a direct result of loss from covered perils to a **Covered Auto**, and for rental of a fire engine or similar firefighting apparatus, ambulance or other emergency vehicle, necessitated by such **Loss**. The **CSD Pool** will reimburse the **Member District** for approved and documented rental expenses up to a limit of \$40,000.

Payment applies in addition to the otherwise applicable limit of coverage shown on the **Member District's** auto schedule. No deductibles apply to this coverage extension.

The **CSD Pool** will pay only for those expenses incurred during the coverage term beginning 24 hours after a covered **Loss**. Coverage is limited to the lesser of:

2. Any reimbursement for towing expenses under this Section must be approved, any expenses must be documented, and reimbursements from the **CSD Pool** are limited to \$1,500 for each disablement of a **Covered Auto**. This does not apply to towing necessitated by a disablement as a result of a covered cause of loss.

- A. Nuclear reaction, nuclear radiation, or radioactive contamination, all whether controlled or uncontrolled, and whether such loss be direct or indirect, proximate, or remote; or be in whole or in part caused by, contributed to, or aggravated by the peril(s) insured against in this Coverage Document; except:

1. if fire ensues, liability is specifically assumed for direct loss by such ensuing fire but not including any loss due to nuclear reaction, nuclear radiation, or radioactive contamination;
 2. the **CSD Pool** shall be liable for **Loss** or damage caused by sudden and accidental radioactive contamination including resultant radiation damage for each occurrence from material used or stored or from processes conducted on insured premises provided at the time of loss there is neither a nuclear reactor capable of sustaining nuclear fission in a self-supporting chain reaction nor any new or used nuclear fuel on the insured premises;
- B. Hostile or warlike action in time of peace or war, including action in hindering, combating, or defending against an actual, impending, or expected attack:

or
 2. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.
- C. For **Covered Autos** designated on the **Member District's** Auto schedule as being insured on a **Replacement Cost** basis, and subject to payment of the appropriate contribution as designated by the **CSD Pool**, the most the **CSD Pool** will pay for **Loss** in any one **Occurrence** is the lesser of:

7. DEDUCTIBLE

For each **Covered Auto**, the **CSD Pool's** obligation to pay for, repair, return or replace the damaged or stolen **Covered Auto** will be reduced by the applicable deductible shown in the **Member District's** schedule and subject to the following:

In this event, the **Member District** and **CSD Pool** will each select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the **Actual Cash Value** and amount of **Loss**. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. The **Member District** and **CSD Pool** will each:

1. Pay its chosen appraiser; and

At the **CSD Pool's** option it may:

1. Pay for, repair or replace damaged or stolen property;
2. Return the stolen property, at the **CSD Pool's** expense. The **CSD Pool** will pay for any damage that results to the **Covered Auto** from the theft; or
3. Take all or any part of the damaged or stolen property at an Agreed Value or appraised value.

E. Transfer of Rights of Recovery against Others to the **CSD Pool**

If any person or organization to or for whom the **CSD Pool** makes payment under this Coverage Part has rights to recover damages from another, those rights are transferred to the **CSD Pool**. That person or organization must provide all cooperation and do everything else necessary to secure the **CSD Pool's** rights and must do nothing after **Occurrence** or **Loss** to impair them.

9. GENERAL CONDITIONS
